

VERONNEAU

World Wise Jazz

Tech Sheet

Requirements:

- 2 vocal mics
- 2 drum mics
- 2 DI boxes for guitars
- cables and boom stands for above
- At least 8 inputs at mixing board
- AC power onstage

If a full PA and independent monitoring are available we can DI guitars and 2 vocal mics into the main system and mic drums with 2 mics. For smaller venues without independent monitoring the following set up would be appropriate (guitar amps provided by band).

Pete - drums

small set:
snare, hi-hat, one
cymbal

Lynn - vocals

Shure SM58 Beta

Ken - guitar/vocals

nylon string
acoustic
Shure SM58 Beta

David - guitar

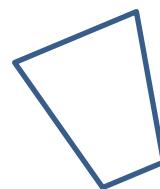

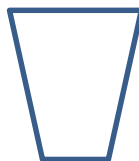

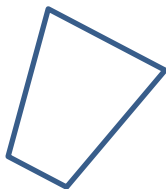

nylon string
acoustic

2 drum mics

2 Stage monitor
